A Global Network of Community Volunteers

April 1, 2002

To: Rotary Club Leaders  
District 5160

Subject: Polio Plus- A Plan to Eradicate Polio

Fellow Rotarians:

As Chairman of the District Polio Plus campaign, it is my job to work with Clubs in the District in helping Rotary International meet its goals in order for Polio to be wiped off the face of the Earth.

Attached with this cover sheet is information about the plan to eradicate polio and a list of Frequently Asked Questions (FAQ's).

While there is additional information coming our way in the near future, I want to begin working with you to establish ideas to meet our forecast. I will also work with the Assistant Governors and the Club Presidents on this very important goal.

Imagine for a moment, that a contribution of \$68.00 from every Rotarian would eradicate polio from the face of the earth.

Please join me and pledge to make this happen.

Bob Linscheid  
District Campaign Chair  
Polio Plus Campaign
