**A Rotarian Integrated Community Model**

## Empowering The Community

- Parent Committees:  
Manage their own bank Account
- Perform surveys & collect data every week
- Are responsible for managing & repair of new water/sanitation systems

# Electronic Data Collection & Analysis for 6 years make this project unique

- Parents trained to collect data weekly
- Rotarians collect data once a month
- C.D.M. Smith Corporation manages, analyses data & submits monthly reports
- Weekly Project Meeting with all parties via Skype

# Garifuna People

Cirque du Soleil & its One Drop Foundation is working with us in this community to create song, dance, story telling in the local language utilizing WASH themes

# Honduras WASH Project

- In addition to our weekly Skype mtgs.
- We make two site visits every year.
- Now we are inviting Rotarians to join with us & actually work in the projects.

**Thank you**
