Primary beneficiary
Children/youth

5	Concord	Community development	Guatemala	8,720
	Activity or project type Sports/recreation/playgrounds	Brief description The comm needs assmt process resulted in the creation and construction of a community center on purchased land by the Guatemala City Dump, inhabited by 40,000 residents. The building is in construction. This project is intended to help outfit the interior of the building. This area will offer the opportunity for youth and adults to practice different sports such as basketball, soccer, etc.	Primary beneficiary Children/youth	
6	Weaverville	Community development	United States	2,180
	Activity or project type Sports/recreation/playgrounds	Brief description The Weaverville Rotary Club has a long-standing program to support the historic downtown. Currently there are no bike racks in downtown. This is a high priority in the community, as the County just adopted its "Active Transportation Mgt Plan" that encourages, walking and cycling as healthy alternatives to motor vehicles . 4 racks will be installed at strategic locations throughout downtown	Primary beneficiary General population	
7	Durham	Education	United States	13,080
	Activity or project type Computers/digital literacy/technology	Brief description When schools switched to distance learning last year due to COVID-19, teachers became far more familiar with utilizing Chromebooks as an instructional device	Primary beneficiary Student(s)	

and are now an essential part of the instructional model for schools. The Durham Unified School District is still in need of 160 Chromebooks to ensure all students have one assigned to them from 5th > 12th grade.

8	Berkeley	Community development	United States	8,720
	Activity or project type Transportation	Brief description Purchase an Electric Vehicle and charging stations for the use of affordable housing residents in the East Bay. The charging station will be located at an affordable housing complex. The vehicle will be made available to residents to use on a "sign out / lend out" basis.	Primary beneficiary Economically disadvantaged	
9	Brentwood	Education	United States	6,975
	Activity or project type General	Brief description The plan of this project is to provide equipment, resources and training to allow Pillars of Hope to educate the community in the greater East Contra Costa County area on human trafficking. Ultimately, the goal is to prevent human trafficking by identifying the vulnerable in our community. With these resources, Pillars of Hope will be able to reach more people who can prevent and stop this crime	Primary beneficiary Children/youth	
10	Orland	Community development	United States	8,720
	Activity or project type Sports/recreation/playgrounds	Brief description Orland's first recreation and fitness trail, an 8' wide	Primary beneficiary General population	

paved path than meanders its way through pasture land, aligns alongside irrigation canals, and carefully bisects two residential streets. In the available unpaved space on either side of the paved trail, permanently installed fitness equipment paid for by this grant will enhance the trail's usefulness and attractiveness.

11 Paradise Community development United States 6,840

Activity or project type
General

Brief description
Paradise Rotary Club lost all their Community support equipment and storage facilities such as cooking equipment, tables and pop up shade devices in the Camp Fire in Nov of 2018. The club used this equipment to support our community and enhance the image and visibility. of Rotary. Funding this grant will enable the club to get back to providing support for our devastated community.

Primary beneficiary
General population

12 Martinez Community development United States 7,845

Activity or project type
Construction/renovation

Brief description
The Grant proceeds will be used for a project that includes the completion of the kitchen renovation at the Martinez Boys & Girls Club clubhouse. The project includes commercial stove purchase and installation, and the installation of counters and shelving. This will allow for the preparation of snacks and meals for the club members

Primary beneficiary
Children/youth

as well as the community organizations that use the facility.

13	Dixon	Community development	United States	4,360
	Activity or project type Construction/renovation	Brief description To purchase a street clock with the Rotary logo on the face of the clock for the City of Dixon's new town square (Pardi Market Site) project. With the Rotary logo on the clock face, it will promote Rotary's presence in the community.	Primary beneficiary General population	
14	Solano Sunset-Vallejo	Community development	United States	6,975
	Activity or project type Food/hunger	Brief description Working with Fighting Back Partnership and Florence Douglas Senior Center, and the Grocery Outlet on Admiral Callaghan Lane, we identify families and individuals in a state of food insecurity, who have "fallen between the cracks", in need of food, and / or moral support. These deliveries have included isolated seniors, pregnant young women, and mothers emerging from a life on the street	Primary beneficiary Economically disadvantaged	
15	Lamorinda Sunrise	Community development	Guatemala	13,080
	Activity or project type Construction/renovation	Brief description The Lamorinda Sunrise RC is working with the Vista Hermosa RC in Guatemala City (District 4250) to replace dirt floors with concrete floors in homes in Tecpán, Guatemala. This project will save the lives of children who now live in houses with dirt floors that	Primary beneficiary Children/youth	

		are virtually impossible to keep clean. Dirt floors accumulate parasites from various sources, including feces from animals and humans.		
16	Davis Sunrise	Community development	Kenya	13,080
	Activity or project type Construction/renovation	Brief description The project is to install solar power, solar powered pump and booster pumps, and associated control equipment at Soar Kenya Academy in Kenya to reduce the cost of electricity and enable the school to be sustainable over the long run, and avoid interruptions in the supply of electricity and therefore of water. The project will also install handwashing facilities at the school and train the staff.	Primary beneficiary Student(s)	
17	Fairfield-Suisun	Environment	United States	8,720
	Activity or project type Restoration/conservation	Brief description On the afternoon of June 3, 2020, a devastating fire occurred at the Suisun Wildlife Center and adjoining neighborhood. The Main Center sustained some minor damage, but the animal structures were burned extensively resulting in the loss of their birds and animals. The Fairfield Suisun Rotary Club proposes to fully restore and renovate the Suisun Wildlife Center to its former state.	Primary beneficiary Wildlife/animals	
18	Cordelia	Environment	United States	1,000
	Activity or project type Restoration/conservation	Brief description The Grant funds will be used for the restoration of	Primary beneficiary General population	

the outdoor wildlife display area at The Suisun Wildlife Center where they welcome the public. The Wildlife Center was begun in 1976 as a grass roots effort almost totally staffed by volunteers, and it remains so today, having released over 17,000 wild birds and animals back into the wild in Solano County. Regular public events are also held

19	San Ramon	Economic development	United States	10,900
<i>Activity or project type</i> Job readiness skills/training	<i>Brief description</i> The primary objective of this project is to provide critical equipment, training, supplies and materials that will equip Trinity Center to expand and enhance their various programs, particularly as a response to the COVID-19 pandemic. Access to technology is a critical pathway for homeless populations for virtual case management, government services, job training, employment	<i>Primary beneficiary</i> Economically disadvantaged		
20	Hayfork	Community development	United States	2,835
<i>Activity or project type</i> Construction/renovation	<i>Brief description</i> This project involves the buildout and upgrade of the existing kitchen at the Trinity County Fairgrounds to meet current county and state commercial kitchen standards. This will require new flooring, hand sinks, stainless steel tables, commercial fridge and commercial freezer. This facility is used year round by the Community of Hayfork, Ca, a small town (pop 2800)	<i>Primary beneficiary</i> General population		

in N California

21	Walnut Creek	Community development	United States	6,800
	Activity or project type Food/hunger	Brief description "Hungry Children can't learn". The School Pantry is like a grocery store at school, where hungry families can "shop" for fresh food free of charge with warm fellowship, recipe-sharing and solidarity. This school pantry is run by our partner non-profit White Pony Express, and has already proven to be a successful model. This grant will expand the program to 11 schools located in low income areas.	Primary beneficiary Economically disadvantaged	

22	Chico	Education	Mexico	8,455
	Activity or project type General	Brief description The goal of the Project is to produce and distribute ~ 4000 low cost re-usable sanitary pads in 3 low income areas around Guadalajara, Mexico. The costs of disposable sanitary pads for many girls and women in these communities are financially out of their grasp. An additional objective of the grant is to establish local production of these re-usable pads so as to make it self-sustaining.	Primary beneficiary Women
