SECTION XIX – YOUTH PROTECTION POLICY

The shaded sections reflect Rotary's requirements for Rotary Youth Exchange.

1. Statement of Conduct for Working with Youth

The district strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians' spouses and partners, and other volunteers must safeguard the children and young people they come into contact with and protect them from physical, sexual, and psychological abuse.

2. Definitions

Volunteer — Any adult involved with Rotary youth activities who interacts directly with youth, whether supervised or unsupervised.

Rotary volunteers include:

- Club and district youth program officers and committee members
- Rotary member and nonmember counselors
- Members and nonmembers and their spouses and partners who work with students during activities or outings or who transport students to events
- Youth Exchange host parents and other adult residents of the host home, including host siblings and other family members

Casual Contact - Persons having **casual contact** (incidental contact and **infrequent group contact**) are persons not directly responsible for the youth but who may provide incidental transportation or invite a youth to an event such as dinner, movie, sports event, weekend activity, or travel approved by the Host Family and YEO if youth is Rotary Youth Exchange Student. Once again, casual contact must be infrequent and incidental so that a regular pattern is not developed. Further, casual contact must take place in a group setting with not reasonably foreseeable risk of one-on-one contact.

Continued Contact - Persons having **continued contact** (**significant contact, overnight contact and/or unsupervised one-on-one contact**) are persons assigned to support Rotary functions such as Youth Exchange Officer, Counselor, and Host Families, persons assigned to transport students to and from Rotary meetings and events on a continuing basis; or where youth will have contact with an individual on a **regularly occurring basis**.

Youth program participant — Anyone who participates in a Rotary youth program, regardless of age.

3. Legal Entity and Liability Insurance

The District is a part of a legal entity known as Rotary International District 5160, a California nonprofit public benefit corporation. This entity has been formed under the laws of the state of California on April 5, 2006, and as Amended on June 18, 2009, and is valid at this time.

The District carries liability insurance with appropriate coverage and policy limits. This policy protects the organization from third-party claims and lawsuits alleging negligence by the organization, its employees, or its volunteers.

4. Club Compliance

The district governor is responsible for supervising and controlling all youth activities in the district, including those associated with Rotary Youth Exchange. The district will monitor all participating clubs and ensure that they comply with youth protection and Rotary Youth Exchange certification requirements.

All clubs that participate in Rotary Youth Exchange must provide the district with a copy of the following for review and approval:

- A signed compliance statement that the club is operating its program in accordance with district and RI policies
- Confirmation that volunteers will be prohibited from contact with program participants until a written application, interview, reference check, and criminal background check have been conducted and clearance for unsupervised contact with program participants has been issued
- All club materials that advertise the Youth Exchange program, including brochures, applications, policies, and websites
- Any club youth protection training materials

5. Volunteer Selection and Screening

RI will not tolerate any form of abuse or harassment.

All Rotary member and nonmember volunteers who are interested in working with youth program participants must meet RI and district eligibility requirements. RI prohibits the membership and participation of any Rotarian or non-Rotary volunteer who has admitted to, been convicted of, or otherwise been known to have engaged in sexual abuse or sexual harassment or other act that violates the accepted standard of behavior in the community.

Districts will maintain confidential records of individuals prohibited from contact with

youth and make sure that these prohibitions are implemented consistently throughout the district from year to year.

People who are prohibited from working with youth also may not serve as District Interact chair, Interact Club Adviser, District Camp Royal Chair, District Camp Venture Chair, District Youth Exchange Chair, District Youth Protection Officer, or in any other locally appointed club or district role in which they might have contact with youth.

If a person is accused of sexual abuse or harassment and law enforcement's investigation is inconclusive, or if law enforcement declines to investigate, additional safeguards are necessary to protect any youth program participants with whom the accused might have future contact, as well as the accused. A person who has been cleared of charges may apply to continue as a youth program volunteer. Such reinstatement is not a right, and reinstatement to a former position is not guaranteed.

All Rotary member and nonmember volunteers who have **continued contact** with program participants, as defined in Section 2, must:

- Complete a volunteer application form
- Undergo a criminal background check (subject to local laws and practices)
- Be interviewed by a designated District representative, preferably in person
- Provide a list of personal references and their contact information (references may not include family members and no more than one Rotary member)
- Comply with RI and District guidelines for all youth programs.

Rotary Youth Exchange program guidelines will reflect compliance with RI and District guidelines as well as US Department of State regulations for youth exchange.

All Rotary member and nonmember Youth Exchange volunteers who have direct, unsupervised contact with program participants must:

- Be interviewed, preferably in person
- Provide a list of personal references and their contact information (references may not include family members and no more than one Rotary member)
- Comply with RI and district guidelines for the Youth Exchange program

For Youth Exchange host families, the interview determines suitability. It should demonstrate:

- Commitment to the safety and security of students
- Appropriate motives for hosting a student consistent with Rotary's ideals of international understanding and cultural exchange

- Financial ability to provide adequate accommodations (room and board) for the student
- Ability to provide appropriate supervision and parental responsibility that ensures the student's well-being
- Youth Exchange host families must also undergo announced and unannounced home visits both before and during the placement; home visits must be conducted during each year the family participates, even for repeat host families

Note: All adult residents of the host home must meet all selection and screening guidelines. This includes adult children of the host family and other members of the extended family or household staff who are full-time or part-time residents of the home.

Youth Exchange students must be appointed a Rotary counselor who meets the criteria for all volunteers. In addition:

- A counselor must not hold a role of authority over the student's exchange (for example, a member of a student's host family, school principal, club president, or district or club Youth Exchange officer)
- Counselors must be able to respond to any problems or concerns that may arise, including instances of physical, sexual, or psychological abuse or harassment

6. Youth Exchange Participant Selection and Screening

All students who are interested in the district Youth Exchange program must meet district guidelines and:

- Complete a written application

7. Training

The district and its clubs will provide youth protection training and information on youth programs.

The district Youth Exchange program must provide youth protection training and information to all students involved.

The district will:

8. Responding to Allegations

The district takes all allegations of abuse or harassment seriously and will handle them in accordance with the district's Abuse and Harassment Allegation Reporting Guidelines (appendix B).

The district will cooperate with all law enforcement agencies, child protective services, and legal investigations.

The district should appoint a youth protection officer to advise it and clubs on abuse and harassment prevention and to help manage risks and any crises that affect the safety of youth. The youth protection officer should have professional experience in counseling, social work, law, law enforcement, or child development, and may or may not be a Rotary member.

The district should develop a crisis management plan as outlined in Rotary's Youth Protection Guide.

9. Travel by Youth

Youth travel outside of the community must comply with RI and district youth protection policies.

For all youth travel sponsored by the district or its clubs, before departure, the host district must:

The district Youth Exchange program, in collaboration with participating clubs, must also:

- Confirm that all inbound students have at least the minimum insurance that is required by the Rotary Code of Policies (Because the host district must be able to arrange immediate and emergency medical attention when it is needed, it must be satisfied that the student's coverage is adequate)
- Store participant and volunteer records securely in accordance with all applicable privacy laws
- Provide each student with a list of local services (rape and suicide crisis hotlines; alcohol and drug awareness programs; relevant law enforcement agencies; Lesbian, Gay, Bisexual, Transgender, Queer services; etc.). This list must also include the following contacts:
