Goodbye Weekend

About February or March, students begin to feel the exchange year begin a gradual move toward the natural end of a life changing experience. To celebrate, really celebrate, the exchange we strive to maximize the time gathered together in fun and support for each other.

This year the mandatory Goodbye Weekend falls on June 13-15 in Santa Cruz with Cory and others, who always boost the energy and laughs. This is a good time to bring out those memory making projects (scrapbooks, autograph tee shirts, quilts, videos, etc). Plan to share making something that will be a joy to have and to help stay connected no matter where you are in the world!

Dist 51060 RYE Committee Trivia Challenge #6

Which committee member said "I have taken care of newborn babies weighing less than one pound."

Luck o' the Irish to you...

Wearing green and leprechaun costumes on St. Patrick's Day are traditions coming from the 17th century, when people wore green ribbons and shamrocks on March 17th to honor Ireland's patron saint... Pinching people who didn't wear green reminded them that leprechauns could sneak up on them at any time!

Answer to #5- Kelly Nickle played a lead role in a Branson Play at 13 years !

Service above "Selfie"

Over President's Day weekend, our own RYE Committee Member Bob Jehn accompanied five Interact students from Burney and Fall River High Schools and five adult advisors to Agua Prieta, Mexico to perform community service alongside members of the Rotary Club and Rotaract Club of Agua Prieta. Rotary job well done!

Heather C and other Interact students paint an amphitheater in Agua Prieta, Mexico
