Blast from the Past!

Eleni Mahlis-Miller, Outbound to Sweden 2015-16, and currently at St. Olaf College in Minnesota, will spend the summer in Norway to study the Norwegian language and literature. Her major is Music with an emphasis in Nordic studies, so her time in Sweden through Rotary Youth Exchange has very much shaped her college career!

We love our students !!

Saying “Until Next Time”...

Plan on staying connected with your Exchange supports (counselors, officers, committee members) as they are resources for you even when you are back home. It may still be hard for a while, but you will know that you are not alone!

Re-entry to your home country, reverse culture shock, can be challenging. Look again at the following documents:

- Inbound Orientation Handbook, pages 53-55
- Outbound Orientation Handbook, pages 44-54.

Everyone should look at both handbooks!
