

## They're Here!

This past weekend District 5160 Youth Exchange Committee officially welcomed our 2013-14 Youth Exchange students to California at our annual Inbound Orientation located this year at Clear Lake! Ten amazing students from Austria, Belgium, Bolivia, Brazil, Colombia, France, Nigeria, Slovakia, Switzerland and Taiwan, who will be here for nearly a year, are being host sponsored by Rotary clubs throughout the district. It was a weekend of getting to know each other through team building, kayaking, hot-tubbing, ping pong, fuse ball, tent camping and, of course, EATING! We also met and provided Youth Exchange training to our students' host families and club Youth Exchange Officers and Counselors. Despite a heavily scheduled weekend, District Governor Steve Lack made a special appearance to extend an official Rotary Adventure Welcome to the students and host families. Accompanying District Governor Steve, District 5160 Photographer Dani Gregory captured the entire day in photos.

Be sure to keep an eye out for upcoming stories featuring our Inbound and Outbound Youth Exchange Students on their Rotary Adventures!
