Conakry, October 4 2023

Dear partners,

We invite you to participate at the 18th West Africa Project Fair organised by Rotary International Districts 9101, 9103, 9104, 9110, 9125 and 9141. This virtual fair will be an opportunity to share with you the various projects of Rotary clubs and, above all, to forge partnerships in order to better fit our Rotarian commitment of service to our communities in difficult situations.

Registration is completely free via the fair website <https://rotarywapf.org/registration>. Once you have registered, we will send you an email within a few days with the link to attend the fair.

We would be delighted to count you among our participants at this fair which will see the participation of at least 150 dynamic clubs and more than 5,000 visitors looking for partners in the three categories of financing which are :

- **Category A:** Club-to-club financing of between \$1,000 and \$5,000
- **Category B:** District grant funding for projects between \$5,000 and \$30,000.
- **Category C:** Project funding through a global grant of between \$30,000 and \$400,000.

All committed to the fight against poverty, the fight against endemic diseases, the promotion of peace, the protection of mothers and children, education and literacy and the protection of the environment, your presence at the fair will continue to inspire Rotarians in our districts to work in line with Rotary's vision of "**Service Above Self**".

We remain at your disposal for any further information you may require.

Fellowship.
